

PURIFOG

BY UR FOG

The Essential Product For Full Room Sanitisation

Purifog AIR Pump Pro Plus 4000

Disinfects premises between 22 and 4000 cubic meters per activation.

Purifog AIR cleans and hygienizes the air of 99.9% of viruses, bacteria, micro particle pollution and COVID 19.

Purifog AIR is a mechanical action which you can be in for up to 1 hour.

Creating a clean environment

Purifog AIR is up to **1700 times more effective** than a standard spray system. Our 1 micron sized particles will drag any micro particle down to the floor ready to be disinfected.

Clean the air with Purifog AIR

Drags viruses & bacteria particles to the ground

Cleans & disinfects surfaces

- ✓ Purifog AIR is designed to cover all Horizontal and Vertical surfaces within your premises including door handles, light switches and everything that it comes in contact with.
- ✓ Purifog AIR also leaves a micro thin layer of mild disinfectant on all surfaces for prolonged protection.
- ✓ Purifog AIR is a dry fog and safe to use over, PCs, electronics, paperwork, clothing, furniture. and leaves no visible residue.
- ✓ Perfect for any environment helping to reach the highest levels of sanitisation and hygiene
- ✓ All it takes is one push of a button
- ✓ Designed for use by professionals. Easy and safe fluid bag changes with options for larger fluid bags to reduce ongoing cost and replacement times.
