

PURIFOG

BY UR FOG

The Essential Product For Full Room Sanitisation

Introducing Purifog Biotect AV

The fastest and most effective way to disinfect your premises

Purifog Biotect AV

Effective against the present pandemic of COVID 19 in accordance with Public Health England guidelines

Disinfects the surfaces of viruses, bacteria and COVID 19

EN Standards: 14476, 1276, 13697, 1656, 1657

Creating a clean environment

Purifog Biotect AV is more effective than a standard spray system. Our 1 micron sized particles will drag any micro particle down to the floor ready to be disinfected.

Complete coverage with Biotect AV

Drags viruses & bacteria particles to the ground

Cleans & disinfects surfaces

Purifog Biotect AV reaches the places other disinfectants can't!
